

C WOOD & SON
LUTON LTD

Case Study

School Renovation
Dallow Road, Luton

The Job

C Wood & Son Luton Ltd were contracted to completely renovate 6 different rooms throughout Fun To Learn Nursery in Luton.

We carried out works to the Lobby, Disabled Toilet, 2 Classrooms, Staff Room Kitchen and a Sleep Room. Creating new doorways, removing walls, creating dividing walls, installing new LED lighting, decorating the walls, laying new flooring and installing a new kitchen - we transformed the school from its outdated flaking paintwork to bright bold and modern rooms for both the children and staff to love,

Our dedicated team worked through the summer holidays to ensure we finished a couple weeks before the new term was due to start; so the staff could decorate the classrooms accordingly.
