Case Study

**DDA Toilet
Thomas Whitehead Academy, Dunstable**

The Job

C Wood and Son were employed by Thomas Whitehead Academy in Dunstable to carry out to knock through 2No single toilet cubicles and build 1 large new disabled toilet cubicle.

The works were undertaken during the February half term 2021 to avoid disruption to the children's learning.

For this project we:

- Took out 2No toilets, 2No basins, 2No hand driers, 2No radiators, 2No doors and frames, 1No dividing wall, ceiling, boxing and flooring.
- Installed studwork to form 1No door and frame (re-used the existing).
- Altered the electrics.
- Installed 1No cool touch radiator.
- Boxed in all the pipework.
- Latexed the floor and laid altro flooring.
- Installed Doc M pack.
- Primed, undercoated and glossed the door and frame.
- Applied 2No coats of emulsion to ceiling and walls.

This project was completed in 5 days.
