

C WOOD & SON
LUTON LTD

Case Study

**Bathroom Tiling
Great Offley**

The Job

C Wood and Son were employed by a family in Offley to carry out some small bathroom works.

For this project we:

- Built a cupboard for the bathroom,
- Removed the existing shower.
- Installed a new thermostatic shower.
- Tiled the bath area only.

The decoration will be carried out by the client

This project was completed in 2 days.

The client was over the moon with their bathroom upgrade and couldn't thank our team enough for the hard work they put in.
