

C WOOD & SON
LUTON LTD

Case Study

Building Extension
Tavistock Avenue

The Job

C Wood & Son Luton Ltd were employed to build a new extension to the rear and side of a property, with vaulted ceilings and bifold doors.

We installed footings, the steelworks, brickwork, concrete and screed flooring.

The electrics were fitted along with the velux windows, roofing, plastering, carpentry, tiling, bifold doors and the decorating.

The clients were left happy with the results and the property was left in a high standard with all rubbish disposed of correctly.
