# Case Study

Toilet Refurbishment  
Ilford

# The Job

C Wood & Son  
Luton Ltd carried out a  
toilet refresh in Ilford. The  
public toilets were  
outdated and needed  
complete new basins,  
toilets, walls, etc.

We installed new lighting  
into the separate  
rooms/cubicles, provided  
new sanitary ware, tiled the  
walls and laid the flooring.

The decorations were  
minimal but looked fresh  
and modern. The team  
fitted baby changing  
facilities, seating, bottle  
warmers and much more.
