# The Job

C. Wood & Son were employed by a family in Flitwick to undertake garden renovation and installation of new gutter, fascias, shiplap and front door and kitchen tile replacement.

For this project we:

- Removed and disposed of the existing decking that had sunk
- Installed MOT and sand, compact down to level base
- Installed artificial grass to the garden
- Built steps from the patio to artificial grass, using wooden sleepers
- Removed and disposed of the old gutters, fascias, shiplap and front door
- Installed new gutters, fascias, shiplap and front door
- Hacked off the kitchen splash back tiles and installed new tiles
- Decorated the kitchen walls

This project was completed in 2 weeks and our clients were delighted with the end result, as are we.

Great workmanship as always from our tradesmen.
