

C WOOD & SON  
LUTON LTD

# Case Study

Lean To - Conservatory  
Luton

# The Job

C. Wood & Son were employed by a family in Luton to undertake the installation of a new lean to-conservatory at their property.

For this project we:

- Demolished the existing lean-to conservatory
- Built stud walls, insulated, plied and installed external cladding
- Installed roof joist and ply
- Installed 2No Velux
- Installed EPDM rubber roof system
- Insulated the roof, plasterboard and skimmed
- Plaster boarded and skimmed the walls
- Installed 2No new PVC windows
- Installed existing patio door
- Repaired the garage roof and re-felted the front section
- Installed UPVC fascia and gutter to the rear of the main house
- Cleared site upon completion

This project was completed in 2 weeks and the clients were delighted with the end result, as are we.

Great workmanship as always from our tradesmen.
