# The Job

C. Wood & Son were employed by Central Bedfordshire Council to undertake the installation of a wet room for an elderly client.

For this project we:

- Removed and disposed of existing bathroom suite
- Installed new drainage for shower tray
- Installed tray within the floor and levelled the rest of the bathroom
- Installed thermostatically controlled shower unit
- Laid Altro non slip flooring to entire floor area
- Installed new WC and basin with lever taps
- Installed new 2D light fitting, pull cord and fan
- Install shower curtain and rail with grab rails

This project was completed within 2 weeks and our clients were delighted with the end result, as are we.

Great workmanship as always from our tradesmen.
