Shower Installation  
Luton

# The Job

C. Wood & Son were employed by the Hilton Hotel in Luton, to undertake the installation of a new shower unit in one of their suites.

For this project we:

- Removed the existing shower unit
- Installed a shower tray
- Installed new shower and shower handle
- Installed a new shower screen
- Cleared site upon completion

This project was completed in under 2 weeks and the clients were delighted with the end result.

A great job all round from the team.
