

C WOOD & SON  
LUTON LTD

# Case Study

Garage Conversion  
Luton, Bedfordshire

# The Job

C. Wood & Son were employed by a family in Luton, Bedfordshire to carry out a garage conversion at their home.

For this project we:

- Remove the garage door and disposed of
- Dug footings and poured concrete
- Built up the 9" cavity brickwork between piers (set back) forming a window opening
- Installed a UPVC window (rosewood) and window board
- Plaster boarded and skimmed the front wall
- Raised the internal door and frame
- Installed membrane and 100mm celotex to floor
- Laid the screed
- Cut out an opening in roof space and installed insulation, followed by making good of the ceiling
- Installed 1no radiator and cleared the site on completion

This project was completed in 7 days.

The client was thrilled with the finished result. A great job all round from the team!
