

C WOOD & SON
LUTON LTD

Case Study

**Kitchen/Hair Salon Refurb
Luton, Bedfordshire**

The Job

C. Wood & Son were employed by a family in Luton, Bedfordshire, to carry out their kitchen refurbishment project.

For this project we:

- Installed temporary sheeting to opening in the hall and stripped out kitchen to save
- Stripped out and dispose of the Salon and WC
- Lifted the flooring to Salon, removed ceilings and disposed of
- Dug out and concreted pad for 1No pier
- Adjusted floor joists and installed Padstones ready for steels, followed by the steels as per Structural Engineers report.
- Installed underground drainage to suit new layout
- Bricked up the existing window in the old utility, bricked up the garage window and took out the back door, and dispose of
- Toothing out brickwork and installed lintel for new larger opening
- Laid membrane, insulation and screed
- Built stud walls to form new layout of the refurb, insulated and plaster boarded both sides
- Installed plumbing ready for new kitchen, WC and utility followed by installation of WC, basin and 3no radiators
- Plaster boarded the ceilings and skimmed, plus skimming all the walls
- Installed 3no Glazed doors, frames and skirting
- Applied 1no mist and 2no coats of emulsion to walls and
- ceilings, knotted, primed, undercoated and glossed all woodwork
- Took down hall ceiling, followed by plasterboard and skimming
- Finished by decorating the hall walls and ceiling

This project was a big one but the finished result looks incredible.

The team did a fantastic job and the clients were wonderful throughout.
