Case Study

**Bathroom
Hitchin, Hertfordshire**

The Job

C. Wood & Son were employed by one of our longstanding clients to carry out a bathroom revamp at their property in Hitchin, Hertfordshire.

For this project we:

- Bricked up the window to make it smaller
- Installed a new UPVC window
- Renewed the pipework for hot and cold feeds so it wasn't on the floor
- Installed flow and return for radiator
- Boxed in the pipes
- Installed latex, epoxy DPM and latex to the floor
- Installed shower tray
- Plastered the walls and ceiling
- Tiled walls in the shower area and tiled the other walls half height
- Tiled the floor
- Installed light, fan and towel rail
- Installed new WC and unit, basin, vanity, shower and screen
- Decorated the ceiling and walls
- Undercoated and glossed the woodwork
- Cleared site on completion

Our client was delighted with the final finish
